**The Farmer's Wife**  
Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?  
The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every taint or corrupting element. In this way it cures colic, flatulency, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.  
If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.  
The best agents known to medical science for the cure of above symptoms are the conditions as stated on the wrapper of leading brands and preparations of all the several schools of medical practice. Have been stilling the human mind, claiming to be Dr. Pierce's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction. If you will mail a postal card request to Dr. J. C. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicines and showing what the most eminent medical men of the age say of them.

**STRIKERS ATTACK SOLDIERS.**  
Maddened by the stationing of a detail of twenty men of the State constabulary around the car barn and headquarters of the Chester, Pa., Traction Company to protect the property because of a strike declared yesterday morning of the employees for recognition of the union and higher wages, 3,000 men and women of Chester, sympathizers with the motormen and conductors, attacked the troopers. The State police were stoned and mobbed by the strikers, and several officers and civilians were hurt, though none dangerously. The events of the day have aroused the entire populace, and the town was practically under martial law last night, with all the saloons closed and the street car barns and other property of the traction company under guard.  
The trouble started when the strikers, with a lot of sympathizers, prepared to stop the running of any cars by strike-breakers.  
Several hundred men responded yesterday to an advertisement calling for unionist motormen and conductors to be sent out of New York. It was rumored among the men seeking employment that they were to be sent to Chester, Pa., and some to Pensacola, Fla. So many applicants appeared at the agents' office, that the street was blocked until the police cleared a passage way.

**SUICIDE IDENTIFIED.**  
It has developed that the man who committed suicide by jumping from the Old Bay line steamer Florida, between Old Point Comfort and Norfolk Sunday morning as the vessel was nearing Norfolk from Baltimore, was C. Adrian Grant, whose legal residence is in Charlottesville, Va., but who divided his time between Charlottesville, Washington and Baltimore. Grant was a member of one of the oldest families in Virginia.  
He was a graduate of the University of Virginia and a deaf mute, but was a splendid athlete.  
Grant left a note in his state room stating that financial reverses had caused him to take his life. He was fifty years old. His body has not yet been found.

Grant was a son of the late Harry Grant, an Englishman, who came to Virginia a long time ago. Of late years he had been living with his sister-in-law, Mrs. Harry Grant, and her family at Charlottesville. Until they moved to Charlottesville the Grants lived at Middleburg, Loudoun county, and were among the most prominent families in that section of the Old Dominion. Grant was an enthusiastic horseman and a daring rider across country.

**A Woman Tells How to Relieve Rheumatic Pains.**  
I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I brought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—Mrs. Sarah A. Cole, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by W. F. Creighton and Richard Gibson.

**THE JEFFERSON DINNER.**  
The Democratic Club's Jefferson dinner, which Mr. William J. Bryan declined to attend without being allowed to make a speech, passed off at the Hotel Knickerbocker, New York, last night, with never a mention of the Nebraska man's name.  
The whole thing passed off as the leaders in the Democratic Club intended it should pass off, and no hard words were spoken about anybody, except President Roosevelt. He was criticized by Senator F. M. Simmons, of North Carolina, who can see in the future, providing executive conditions continue, "the specter of old King George stalking abroad in the land and his incarnated spirit seated in power in the White House."  
"The master," said Mr. Simmons, "now overshadowed everybody, and dominates everything. The government is 'my government,' the army is 'my army,' the fleets of the navy 'are my ships,' suppliants for legislation, whether they be the railroads, or the trusts, or the labor unions, go not to the Capitol, but to the White House, for the redress of their grievances."

**Southern Railway Spring and Summer Schedule.**  
Southern Railway inaugurates its spring and summer schedules today, April 13th, throughout its entire system. It has been found necessary, for economic reasons, to curtail train service in some instances. Nos. 9 and 10, local trips between Washington, Alexandria and Danville, Va., and Nos. 33 and 34, through trains between Washington, Alexandria and Augusta, Ga., are discontinued and the schedules of other trains readjusted and the sleeping car lines arranged to fully meet the requirements of the traveling public. The facilities, however, for reaching the various summer resorts and commercial centers of the Southern States, including western North Carolina, Gulf Coast and Texas points and New Orleans, have not been abridged.  
Train No. 35, for Atlanta and New Orleans, passing Alexandria on new schedule, 8:32 a.m., and doing local work from Manassas to Danville, will stop at Alexandria to take on and leave passengers.  
The schedules on the Bluemont Branch, points along which are liberally patronized by our Alexandria people, will be adjusted later in the season.
